

SG60 Baby Gift Items

S/N	Item	Description
1	SG60 Family Photobook 	A photobook with SG60-themed designs, featuring fun backgrounds and stickers of local flora and fauna, for parents to commemorate cherished family moments with their baby. Note: Each Gift will contain a card to guide parents on how to redeem the SG60 Family Photobook.
2	Wooden Building Blocks 	These SG60-themed building blocks supports the baby's development of cognitive and motor skills, as he/she creates his/her first masterpiece.
3	Straw Cup with Adaptor Cap 	This straw cup set supports the child's needs as he/she gains more independence in feeding and drinking.
4	Food Bib 	The silicone food bib helps the child as he/she transits to solid foods, making mealtimes a mess-free experience for both parent and child.
5	Baby Toy Play Set	The toy set encourages the child to explore and develop problem-solving and fine motor skills.

		
6	<p>SG60 Limited Edition Becky Bunny Plushie</p> 	<p>The SG60 Limited Edition Becky Bunny plushie is a comforting companion for the young child, encouraging imaginative play, sensory development and early exploration. As the mascot for Families for Life, Becky Bunny embodies the family values of Love, Care and Concern, Commitment, and Respect.</p>
7	<p>Set of two Becky Bunny Storybooks</p> 	<p>The storybook set emphasises important family values – Love, Care and Concern, Commitment and Respect – through the heartwarming adventures of Becky Bunny and her family.</p> <p>These storybooks also provide the opportunity for parents to read to their child, stimulate the development of language skills and inspire the child's love for reading.</p>
8	<p>SG60 Parenting Journal</p> 	<p>The SG60 Families for Life parenting journal provides useful tips and resources aligned with the key developmental milestones during a child's first year.</p> <p>Parents can use the journal to document their child's growth and retain it as a keepsake. Tip sheets for grandparents are also included.</p>
9	<p>Backpack</p>	<p>The backpack helps parents stay organised and prepared for every adventure with their little one, keeping</p>

		<p>the child's essentials within easy reach.</p>
10	<p>Trolley Bag</p> 	<p>With its compact size, the trolley bag can be used to store and transport the child's items, providing an opportunity for the child to develop a sense of responsibility as he/she takes charge of his/her belongings.</p>
